ADRIAN MATTHEW G. GLOVA 28 P. Zamora Street, Brgy. Jesus Dela Peña
Marikina City, Manila, Philippines 1804

AREAS OF INTEREST	Time Series Analysis <i>Mixed-Frequency Modelling, Econometric Forecasting</i>
	Machine Learning <i>Statistical Learning Theory, ML in Econometrics</i>
	Causal Inference <i>Impact Evaluation of Socio-Economic Interventions</i>
EDUCATION	London School of Economics, Department of Statistics Sept 2024 - Sept 2025 <i>MSc Statistics (Research)</i> • Advisor: Prof. Yining Chen, PhD • Thesis: Heterogeneous Treatment Effect Estimation with Causal Forests • Graduated with <i>Merit</i>
	University of the Philippines, School of Statistics Aug 2018 - July 2022 <i>MSc Statistics</i> • Advisor: Prof. Erniel Barrios, PhD • Thesis: Mixed-Frequency Time Series with Structural Change • GWA: 1.25/1.00
	University of the Philippines, School of Economics June 2012 - July 2016 <i>BSc Economics (Magna Cum Laude)</i> • GWA: 1.26/1.00
EMPLOYMENT	University of the Philippines, School of Statistics Aug 2022 - Present <i>Assistant Professor</i> • Taught graduate courses in Time Series Analysis • Taught undergraduate courses in Causal Inference, Machine Learning, Time Series Analysis, Advanced Linear Models, and Categorical Data Analysis
	University of the Philippines, School of Statistics Sept 2021 - July 2022 <i>Instructor</i> • Taught undergraduate courses in Introductory Statistics
	Bangko Sentral ng Pilipinas, CPID Jan 2021 - Sept 2021 <i>Executive Assistant</i> • Provided technical inputs on currency policy and forecasting • Developed an alternative time series model to forecast currency-in-circulation
	Department of Budget and Management, OSEC July 2016 - Aug 2019 <i>Executive Assistant</i> • Provided economic and fiscal analyses for the Secretary • Crafted speeches, briefers, and written publications for the Secretary

OTHER POSITIONS	Blackfox Analytics	Nov 2021 - Present
	<i>Managing Partner</i>	
	• Data consulting company providing multi-perspective and client-centric solutions • We integrate people, process, data, and technology to transform organizations • We provide market research and economic consulting services as needed	
	Department of Education	Nov 2025 - June 2026
	<i>Technical Assistant</i>	
	• Provided technical support for economic and financial analyses of DepEd's unsolicited Public-Private Partnership (PPP) projects • Conducted workshops in Economic Internal Rate of Return (EIRR) Analysis for the Office of the Undersecretary for Strategic Management	
	National Economic and Development Authority	Oct 2023 - Dec 2024
	<i>Technical Assistant</i>	
	• Provided advice in predicting agricultural prices in the Philippines • Conducted workshops in econometric modelling for Office of the Secretary staff	
	UP Institute for Small Scale Industries	May 2024 - August 2024
	<i>Project Statistician</i>	
	• Provided statistical consulting services for the study titled "Market Analysis of Local Milk and Dairy Products in the Philippines"	
	Ateneo School of Government	Dec 2019 - June 2022
	<i>Research Assistant</i>	
	• Provided research assistance for the Business & Government portfolio • Provided research assistance for the EU-funded ASEP-CELLs project	
FELLOWSHIPS	Ateneo School of Government	Aug 2025 - April 2026
	<i>Research Fellow</i>	
	• The Tobacco Prevention and Control Policy Development Fellowship (TPC PDF) supports the Department of Health's six National Tobacco Prevention and Control Strategy (NTPCS) 2030 Priority Areas. • My research examines the relationship between tobacco excise taxes and tobacco consumption using pooled cross-section regression methods, generalized linear models, and cluster analysis methods. In particular, I use multiple rounds of the Family Income and Expenditure Survey (FIES) and the Global Adult Tobacco Survey (GATS).

AWARDS AND HONORS	• Chevening Scholarship, Foreign, Commonwealth & Development Office 2024 • ASTHRDP Scholarship, Department of Science & Technology 2019 - 2020 • Magna Cum Laude, University of the Philippines - School of Economics 2016

TRAININGS DELIVERED	• UPSE - PCED , Econometric Analysis with R	March and April 2026
	• DEPDev ROII , Introduction to Impact Evaluation	March 2-6, 2026
	• UPSS - UPSCRFI , Applied Statistical Forecasting	Nov. 24-25, 2025
	• UPSE - PCED , Econometric Analysis with R	Nov. 15 and Dec. 6, 2025
	• BulSU , Impact Evaluation Appreciation Course	Feb. 26, 2025
	• UPSE - PCED , Econometric Analysis with R	Feb. 22 and 24, 2025
	• PES , Introductory R for Economic Analysis	Aug. 24-25, 2024
	• DBM - BPSG , Econometric Analysis with R	July 29-31, 2024
	• DOF - OCE , Econometric Analysis with R	June 26-28, 2024
	• UPSE - PCED , R for Beginners	May 11 and 18, 2024
	• NEDA - ROV , Introduction to R Programming	Feb. 13-14, 2024
	• NEDA - CEU , Introduction to Impact Evaluation	April 23 and 29, 2024
	• UPSS - UPSCRFI , Applied Statistical Forecasting	Nov. 23-24, 2023
	• NEDA - CEU , Introduction to Impact Evaluation	April 19 and 25, 2023
COURSES TAUGHT	• Undergraduate Courses: Time Series Analysis, Econometrics, Machine Learning Causal Inference, Categorical Data Analysis, Introductory Statistics	
	• Graduate Courses: Time Series Analysis	
	• Bridging Courses: UP School of Economics Bootcamp on Statistics, UPSS Graduate Bridging Program on Statistics
